PREFACE.

This Directory contains the names and post office addresses of members of the Brethren in Christ—familiarly known, as River Brethren—as far as they have been reported in the United States, and Canada. Many of the reporters gave only the name of the head of the families. Elders are designated by a small capital “E”; Ministers by a small capital “M”; Deacons by a small capital “D”. We have exercised great care in the compilation, but do not expect it to be free from errors. When our mistakes are added to those of the reporters there will, no doubt be something for criticism. Should any one find their name spelled incorrectly, they will please remember, that we had no way of correcting names that were strange to us. Published by order of the General Conference, by Tobias Martin, Mercersburg, Pa.
