All praise to Him, for the report we are able to bring to you again this quarter. A God bless you, for each co-sharer in the support of this phase of the kingdom. There has been liberal support this quarter towards the African specials, but you will note that the reserve fund out of which our general operating expenses must come, had decreased almost \$2,000. Let us remember our general fund with liberal gifts.

Canoe Creek Mission, Hollidaysburg, Pa.

The past summer months have been a very busy time for your mission workers here at Canoe Creek Mission. The tent meetings, visiting, working in the gardens besides the prayer meetings and Sunday services have been the order of the days.

Our summer tent meetings were held in a community about ten miles distant, near to the town of Williamsburg, Pennsylvania. Although this was the first contact with the people in that vicinity, the effort was blessed by the Lord. Thirteen different individuals sought and received help from the Lord. The Lord especially helped our evangelist Brother Barton Starr, from near Chambersburg, to bring clear and direct messages. A number of new homes were contacted. Several children from these homes found the Lord in saving grace. We thank God for what was done. We were conscious of His direction in all relating to the meeting.

The weekly prayer meetings have been continued in the Canoe Creek and Ganister communities. We have often realized the good hand of the Lord upon us as the faithful ones met from time to time to study the Word of God and witness to his continued blessing and help.

Our gardens have yielded very well. We have had sufficient for our own needs, besides having given away and sold quite a bit. Enough produce has been sold to more than repay all expense on the garden up to date. For this we are thankful.

In September we were blessed by a short visit by Brother and Sister Albert Cober from near Morrison, Illinois. I feel that if more of the Home Mission stations were visited by our good people from near-by churches and districts, it would be a boost to the work and a great encouragement to the workers.

We express our thanks and appreciation to the following persons who contributed to the supply of our needs the past quarter: Brother Gardner, Sisters Oldham, Hayden Walls, Sine, Robinson; Bro. Henry Landis, Souderton, Pa., Bro. and Sr. Amos Stern, Sr. Louise Gardner, Sr. Peggy Kelley, Howard Clapper, Sr. Elizabeth Metzger, Bro. and Sr. William Traxler, Bro. and Sr. Jacob Stern. A number who have also given to the financial needs are mentioned in the financial report. To all we wish the blessing of God upon you, and take this means to say, thank you.

Paul and Esther George

Houghton Mission, Tillsonburg, Ontario

It was our privilege to once again present the gospel of Jesus Christ to the boys and girls in the Daily Vacation Bible Schools. The first was held at the Frogmore school house, the second at the Houghton Center school while the third ham. The interest and attendance were very good and how we thank the Lord for those who opened their heart's door to Him.

We were happy to have Brother and Sister Albert Brenaman and family with us for a missionary service July 23.

August 6 Bishop Edward Gilmore was with us for a baptismal service when Bro. and Sr. Arthur Long and Bro. Philip Main obeyed the Lord in water baptism.

September 22 we were pleased to have Bishop and Sister Henry Ginder and Bishop and Sister Joseph Ginder stop here for a prayer meeting enroute to Michigan. This visit was greatly appreciated by all.

The Houghton Center work is very encouraging with good interest in the Sunday School, Sunday evening services and prayer meeting. We praise the Lord for a young man who was converted in the early part of August. He had been under conviction for some time and one evening at the close of prayer meeting he invited the pastor, Brother Long, to visit in their home. On arriving he found this man ready to pray and after confessing his sin before the Lord he was gloriously saved and he now bears a testimony in this community.

Please continue to pray for the work at this place.

Life Line Gospel Mission, San Francisco, California

Greetings from the city of the Golden Gate. The Apostle Paul tells us in the book to the Romans that where sin abounded, grace did much more abound; then in II Corinthians 4:6 we have these words, "God . . . commanded the light to shine out of darkness." We know that God is helping us to bring the light of the Gospel to one of the darkest sections of this big city.

I have often visited this work, and at different times have spend short periods as a worker, but being here with my present responsibilities gives one a greater concern for those to whom we minister. Sister Edith Davidson being the only worker of the former staff, has been a real blessing in helping us to make the adjustment to the regular routine of the work.

On July 30 we had a farewell service for Sister Erma Hoke. The many friends that gathered for this service and the love offering given was an expression of the real appreciation of her labors here in the past three years.

Among the many seekers at the Mission altar a young couple was saved. They came with a group from Richmond, who helped in the service, and from recent reports they are obeying the Lord and harmony has been restored in their home.

Equipment will wear out. After thirty years of hard use the washing machine had to be replaced. Our people here made this their responsibility and saw that this need was met with a beautiful new "Easy" machine. Other equipment given for the home which is much appreciated was a new General Electric Iron by Brother and Sister Blacketter of Upland, an ironing board by the Goinses and a Betty Crocker Automatic toaster by Lois Wingert and Dorothy Winger.

On September 8 Brother Harold Paulus from Dayton, Ohio, arrived in the City to be our evangelist for a two weeks meeting and then to take up the duties as mission pastor. Sister Edith Yoder from New Paris, Indiana, joined us as a co-worker September 21. These workers have greatly lightened the heavy load for us.

Brother Thomas, a very faithful attendant of the Mission in the past, has been ill for several months and only occasionally gets to the services.

Ray Smucker from Northern Ohio spent a few days in the mission home while making final preparations to sail for the Philippines where he is taking up duties as business manager of a missionary school.

We were glad that Joe and Marietta Smith could leave for India via Japan from San Francisco. The Lord gave us a precious farewell service for them at the mission Sunday evening, October 17. Their mothers, Sister Katie Buckwalter and Sister A. E. Mitchell, were here for this occasion as well as other relatives and friends. They sailed the following evening on the ship "Contest" for Japan.

Christian Fellowship Mission, Massillon, O.

"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." (Lsa. 126:6). We do praise the Lord that we have a few more souls to lay down at the Master's feet in that great day of rewards. "Busy bee" seems to be the right word for mission workers. Sometimes we might be tempted to ask, "Does it pay to give your best to the Master?" But as we look back over the results, we know the answer.

Brother and Sister Andrew McNiven of Blandburg, Pennsylvania, were with us for three-week's revival in July. The results were gratifying. Fasting, praying, good singing and preaching brought good results. There were 65 seekers at the altar during the revival for soul help, and quite a number for healing. One night three were instantly healed. We give all the glory to God. Six nights we broadcast one hour of the service on the radio. We also conducted a two-week's Daily Vacation Bible School the first two weeks. Brother and Sister McNiven gave us a very good meeting. God bless them as they go on to other fields of labor.

On Thursday evening, August 3, we had baptismal and reception service. Rev. Dale Ulery was with us and received eight new members into church fellowship. The twenty applicants were baptized by the pastor and Rev. Lloyd Hostetler. All new members were from the Akron area making a total membership for the new work there 16, besides the pastor and his wife. Two weeks later two more were baptized. We again had quite a number of seekers in our

regular services. Sixty-nine visits, 92 calls, 30 anointings for healing have been recorded in the quarter. Out-of-state visitors: Bro. and Sr. Walter Reigard, Bro. and Sr. Lynn Nicholson and Mr. and Mrs. Paul Hostetler.

Messiah Lighthouse Chapel, Harrisburg, Pa.

"Then spake the Lord to Paul in the night by a vision, Be not afraid, but speak, and hold not thy peace: for I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city." Acts 18:9,10.

Since our last report to the Visitor, our worker situation has improved. In August Beulah Lyons from Merrill, Michigan, joined our staff, and a little later Grace Robb of Mackeyville, Pennsylvania, came to share in the work. After several months of worker vacancies, these assignments are deeply appreciated. The new workers are rapidly finding their places in the schedule of mission duties.

In September the reorganization of the Sunday School was effected. The Young People's Society also was reorganized with Joseph C. Goodyear chosen as president. With the arrival of cooler weather and shorter days, our outdoor meetings were discontinued. From now on, both children's meetings and young people's services will be held on Sunday evening, as well as regular preaching services.

The Rally Day program of our Sunday School was given on October 1. Rev. Kenneth Hoover was the guest speaker, and music was given by the Grantham Male Quartet. Our School is participating in the Sunday School Board's Forward Contest, and attendance during this period has been almost to the capacity of our chapel. To complete Heaven's aims in reaching and winning the lost to Christ, out of this group, is our constant prayer and unceasing effort.

Teacher Training Class has again started with an enrollment of 12. This class meets

Above the Clouds

Leroy C. Brown

A man who visited New York City was very much disappointed because the fog was so dense he could not see the Empire State Building. But later in the day the clouds disappeared and the man saw the great building in all its splendor.

Of course the building was there all the time, but the man could not see it until the clouds lifted. How often do clouds obstruct our spiritual as well as our mortal vision! Sorrow comes to us all. Clouds of discouragement will come. But can we not know that above the clouds God is still on the throne!

No night is ever so dark that the dawn will not come. And the most comforting solace we can have is the realization that, no matter how dark the night is, God is with us always. In His Word God says, "I am with you always." We can take God at His word and know that He means just what He says.

Let the clouds come! We who have put our trust in the Lord Jesus have God's promise, "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty" (Ps.91:1).

usually on Tuesday nights and is now studying Unit III of the Evangelical Teacher Training Course. We appreciate the interest of this group of earnest students of the Bible.

Week Day Bible School commenced on October 5, with the largest first day enrollment ever. Sessions are held every Thursday afternoon, after school. Our chapel is again crowded with children, and the job of finding tables and chairs in suitable classrooms for this group is no small task. Over this assembly of city children we pour our prayers and efforts, to the end that many of them may be genuinely saved.

A unique project of giving was visualized in our Sunday evening service on September 17. Mrs. Howard Wolgemuth's Sunday School class of the Maytown Sunday School called "Busy Bees," brought the results of their missionary giving in the form of 19,116 pennies. Poured by the children, from sacks into a large glass bowl, which overflowed, it presented a picturesque demonstration. These children will not soon forget the accumulative results of their co-operative efforts, even in small things. Nor will the others who witnessed the demonstration. The Mission Trustees' Fund profited by the same.

The Manor Pequea Harvest Meeting offering of fruits and vegetables was given recently to Messiah Lighthouse Chapel. This contribution included a lovely array of choice garden products.

For these and other items of support mentioned elsewhere in our report, the staff joins the writer in acknowledgment and appreciation. We purpose to press the battle for the spread of truth and the winning of lost souls. We thank you all for your interest, and desire a continuation of prayer, in our behalf. To the Lord be all praise, and honor and glory.

Dayton Mission, Dayton, Ohio

The first Sunday of this quarter we closed our summer revival with Elder Earl D. Brechbill giving the evangelistic messages. These meetings proved a blessing to our work. Seed was sown under the guidance of the Holy Ghost.

July 10 we launched our Vacation Bible School. We had good interest with an average attendance of 93. The teachers were encouraged to make an appeal in their classes for those who desired to be saved. Some teachers got a response. A few knelt at the altar in the general assembly. About 25 children sought the grace of God. Some of the children desired the School to continue all summer. We appreciated the services of Sister Avis Brumbaugh who served as chorister and also as a teacher.

Most of our people had the privilege of attending at least part of the Camp Meeting held at Memorial Holiness Camp. We believe it was a real blessing to the work here.

Special effort was put forth to keep up our Sunday School attendance this summer. As a result of the *Forward Contest* last Fall, our year's average was raised to 133. An attempt was made to keep this year's average at least up to that mark. At the end of this quarter the average stands at 136.

September 23 we gathered in the Mission Chapel to commemorate the death and suffering of our Lord and Saviour. The saints were blessed as we observed the sacred ordinances of the Word. Truly it is blessed to fellowship with God and those who have been redeemed by His precious blood.

As we come to the close of this quarter we are contemplating another *Forward Sunday School Contest* and our fall revival. We are expecting the Holy Ghost to manifest His power in our midst.

The Sunday School Board have been working and planning for the Rally Day service and the Sunday School Contest. Since we won first place in the Contest last year our faith is little weak to contemplate much of a gain this year. However, after a teacher's meeting held during National Sunday School Week, our faith was increased. Our average during the contest last year was 186. So we set our goal at an increase of 50 for this year's contest, or an average of 236. That looks pretty high but with an enthusiastic group of workers and by prayer we shall win. Amen!

Our work was strengthened as a result of the contest last year and we are praying that God will give us some definite victories this year.

With this size Sunday School we realize our facilities are not adequate. Some have suggested more room should be added to the Chapel. At our fall council a personal offering was given to start a building fund. We are trusting the Lord to help us add to this fund so that this seeming impossibility may some day be a reality.

Golden Opportunities

Elizabeth Strong

What do you do with the odd moments and spare hours? Your family has gone out and you are alone—are you feeling sorry for yourself, blue and unhappy? An hour spent in communion with your Lord will give you new strength and joy.

Are you unable to sleep at night? Your body is weary or pain-ridden, do you toss restlessly, your eyes filled with tears of self-pity? Pray for those who are in hospitals, on beds of sickness, going through special trials and testings. You will be surprised how many faces and names God will bring before you.

Are you taking out a young lady and have at least fifteen or twenty minutes to wait while she is upstairs getting ready? Do you fidget, stare at the wall paper, leaf through a magazine? Why not pull out your pocket Bible and read something that will give a few extra moments of joy and fellowship?

Are you waiting for a future hour in which to testify to a friend? Perhaps you can accomplish more during the fifteen minute bus ride than you can during the future hour! A tract handed an acquaintance in passing will have more result than the message you hope to give him later.

Take every opportunity that presents itself. An extra hour, a few moments here or there can mean much to the growth of the Christian. Don't be a spiritual dwarf, grow daily in grace and knowledge; your life will be sweeter, your physical and spiritual strength will increase, you will bear fruit for your Master.—*Altoona, Pa.*

Saxton Mission, Saxton, Pennsylvania

On July 22 the new mission workers, Sisters Faus and Stoner took up residence in the basement of the Mission Chapel. The members gave us a warm welcome the following Thursday evening by having a kitchen shower for us. Canned food, dishes, linens and cooking utensils were some of the items given. We have appreciated the cooperation of the people here in helping us to furnish the mission which has heretofore been privately maintained.

These first couple months have been busy ones with getting settled, putting up food which the members have so liberally brought in and visiting in the community. We thank the Lord for the way He has been helping us and for his workings here at Saxton.

The church has been praying for our revival which is to begin October 9, but we feel that the revival has already begun. A young woman was saved in one of our Wednesday evening prayer meetings a few weeks ago, and another woman sought the Lord in one of our Thursday evening prayer meetings. She reported later that the Lord has saved her.

August 27 we were all happy to hear Sister Fern Weaver testify to her healing from cancer. The doctors had given her up telling her there was nothing more that they could do. The Lord has been using her testimony here at Saxton in reminding people that He is the same yesterday, today and forever.

On August 6 we had our first morning worship following Sunday School. The Sunday evening services are continuing as usual with young people's meeting every other week. We have enjoyed the Christian fellowship of members from another church who have been coming in to worship with us on Sunday evenings.

On Wednesday evening, September 6, a quiet, simple wedding took place in the chapel when Sara Mae Reed, daughter of Milton and Sr. Hannah Reed and Dean Hollinger from Greencastle, Pennsylvania, were married. We pray that God will bless this young couple.

On Sunday evening, September 10, Sister Iola Dixon gave her farewell message here before she left for Everett where she will be working. May God bless her for her labors here and continue to use her as she serves Him.

A number of our group were interested in holding street meetings here in Saxton on Saturday evenings. We had several meetings, but the weather became too cool to continue. We praise the Lord for His presence with us as the group sang and testified and while Brother Marion Walker, the pastor, spoke. Quite a few passers-by stopped to listen.

On Sunday evening, August 27, Brother Albert Engle our overseer brought us an inspirational message. We were glad to have him and Sister Engle stay with us until Monday.

Other overnight guests at the mission were Bishop and Sister Jacob Ginder, Brother Albert Faus and Brother and Sister Samuel Engle.

We want to thank those of Rapho District and those of the Cedar Grove congregation who gave donations of bed covers, etc., to the mission. We also want to thank everyone who has helped financially and otherwise in furnishing the mission and with good donations. May God richly bless each one.

Buffalo Mission, Buffalo, New York

The past quarter has been a time of conflict, but what mission or church is there that is going forward that does not have opposition either from without or within. The world has its wars and fightings and reports so many killed, or wounded, or missing; but when the church reports a battle it tells of so many saved, or healed, or translated. The devil does not bother dead churches or missions, but when they move forward with God then the devil gets busy, and then is when the saints should really let out some shouts for the battle is on and victory is sure as they keep step with God.

Early in July, Joe Smith and wife and her parents, Brother and Sister Mitchell, were with us on their way to California, and the Smiths to India. Then in September, Joe's mother had the privilege to go to Los Angeles and help them in their final packing and go with them to San Francisco and see them sail. They will spend some time in Japan in Gospel Team work with Bishop Samuel Wolgemuth and then proceed to India.

Many of our people had the privilege of attending the Camp Meeting on the campus of the Ontario Bible School and enjoying the blessings. There were some marked conversions, in which we rejoice and share.

A sister who had been attending our services and received much help and blessing was called to her eternal home in July.

Among the visitors were Brother Colburn from San Francisco, Mrs. Adda Stauffer with Menno Millers from Lancaster, Pa., Amos Burkholder from Upland, Calif., Lily Wyld from Des Moines, Iowa, and Anita Brechbill from Philadelphia.

Our Daily Vacation Bible School closed with an excellent program.

The Revival in our Sunday School Contest started off with a glorious victory with twenty children kneeling at the altar accepting Christ as their Saviour on Decision Day, Sunday, September 26.

Pray for the work in Buffalo.

Love Depths

Madame Guyon

*"Thou sweet, beloved will of God,
My anchor-ground, my fortress hill,
My spirit's silent fair abode:
In thee I hide me and am still.
Upon God's will I lay me down
As child upon its mother's breast;
No silken couch, nor softest bed
Could ever give me such sweet rest.*

*Thy wonderful, grand will, my God,
With triumph now I make it mine;
And one shall cry a joyous 'yes'
To every dear command of thine.
Thy beautiful sweet will, my God,
Holds fast in its sublime embrace
My captive will, a gladsome bird
Prisoned in such a realm of grace.*

*Within this place of certain good
Love evermore expands her wings;
Or, nestling in thy perfect choice,
Abides content with what it brings;
A sweet burden, lightest yoke,
It lifts, it bears my happy soul;
It giveth wings to this poor heart;
My freedom is thy grand control."*

Navajo Mission, Bloomfield, New Mexico

To the Church at large, Greetings!

"Now faith is the substance, of things hoped for, the evidence of things not seen; for by it the elders obtained a good report." (Heb. 11:1, 2).

It is very difficult to express to the Church at large, and also to interested friends, the challenge which comes to us each moment of the day as we face the difficult task of making decisions which may mean life or death to our Navajo people.

Many times the decision is cast in the affirmative because we believe in the church. We have faith in you, that you will respond to the call of God upon your hearts. This is true literally, whether it means that you are to cross to heathen lands to tell the story of salvation by your means or ability to give or by word of mouth. We are all ambassadors of Christ. But more so, we are also your ambassadors. Therefore, it becomes our duty to inform you or report to you from time to time the things in which we rejoice, the progress we are making, the nature of the work, the need of our people, both physically and spiritually, in order that you may be more adequately equipped to give your whole-hearted support for the work, to pray and to give intelligently; that when the need arises, we may be lacking in nothing.

This past quarter has been one of rich experience and most gratifying results, of change in personnel and of growth. We cannot praise too highly the contribution which Brother and Sister Samuel Ensminger have made to the growth of the work. They have poured out their lives in a realistic manner. We were very happy to receive their permanent appointment to the work, but we deeply regret that it will be necessary for them to leave because the altitude has proven too much for Samuel's heart and the doctor has ordered their change. They will not soon be forgotten by the Navajos and the staff. We wish them God's richest blessings as they go.

Again we are rejoicing in answer to prayer for a nurse to take Sister Ensminger's place. We are happy to announce that Miss Ruth Zercher has joined us on the staff for the rest of the Conference year. Please pray for her in her new responsibility in the medical work.

It is impossible to give a complete record here of how the Lord has been blessing the work here, the many victories gained for Christ, the growing school, and a growing church.

We are also happy for John and Ruby Beton, and their 10-month old son, who have joined our staff. These are Navajos whose lives have been transformed by the power of the Gospel, and they want to be missionaries to their people. They will be invaluable to the work.

Two new dormitories have been added to the compound, and a two-room hogan is being built on the compound for our new Navajo workers.

The need for a small emergency hospital has been felt and we thank the Lord that funds are coming in for this need. We are hoping to start this building in the near future.

We wish to sincerely thank the church for the loyal and whole-hearted support which we have received this past quarter, but it is only as you give and respond to the need of the work, that the Lord can prosper His work and cause it to go for-

ward. May the Lord add His blessing to this report, that your joy might be full and that together we may give ourselves for Christ and the Church.

Isaac Lee Schmucker, Superintendent

God's Love Mission, Detroit, Michigan

"Lord, it is nothing with thee to help, whether with many, or with them that have no power: help us, O Lord our God, for we rest on thee." (II Chron. 14:11).

We have seen more and more in the recent past how the Lord has been able to help us; how He could make a way when there was none; how He was able to supply our needs when we could not see how it was going to be done.

We truly thank the Lord for sending Sr. Eva Melhorn to work with us during the summer. Her consecrated labors were appreciated by our people. As she gave all her strength in prayer, the Lord was able to use her in leading the young people in successful prayer for a revival.

The Lord answered the prayer of faith and sent us a glorious revival which continued for five weeks. As there was no evangelist engaged, our superintendent, Brother Hock, allowed the Lord to use him in leading these meetings. During the five weeks there were only three nights without seekers. Approximately seventy-five different people sought the Lord. The services were supported not only by our people but those of other denominations as well. During this service the Lord answered prayers that have been ascending for years. Surely the Lord hath done great things for us whereof we are glad.

One sister, who was never in a Protestant service, walked past our new church on Myrtle Street, and seeing our pastor working there told him she hoped to make it her church, thinking it was Catholic. She began coming to the services. During the revival the Lord definitely saved her. Just recently in conversation with Brother Hock, she said, "I feel the Lord has sanctified me." This sister has been very faithful in attendance.

Though we have been understaffed this summer the Lord provided the needed strength to carry on for Him. He also sent extra help when we needed it most. Sister

Charlotte Click came from Ohio for a week; Sister Mildred Winger from Ontario for two weeks; and Sister Martha Sentz from Pennsylvania for five weeks. This extra support during the revival was well timed. We know the Lord will reward these sisters for this donation of their time in His service.

We were happy to have Bishop Jesse F. Lady and the Conquerors Quartet from Upland College for a service. Brother Henry Landis' assistance in plumbing work at the Mission Home was much appreciated.

Our people at God's Love Mission always enjoy having Brother Samuel Lady in their midst. Brother and Sister Lady spent July 22 to 27 with us in the absence of our pastor who was conducting revival services in Canada. During this time Brother Lady brought us very inspiring messages.

Brother and Sister Albert Brenaman and their family were with us on August 6 and gave us a good report of their work in Africa.

The Lord also spoke to us through our Brother Edward Gilmore who came in for a service. These contacts with the church help us to understand each other better and become more united in purpose.

Our staff for the coming year was completed with the coming of Sister Ruth Deihl from Indiana in the middle of September. Sister Ethel Heisey from Pennsylvania arrived in the beginning of the month. Our prayer is that the Lord will use them for His glory while here in Detroit.

During a recent Sunday evening service our hearts were made glad as we saw a man on crutches entering the mission. This was the owner of the restaurant next door. He had never been in the mission before. In fact, as he passed on the street, he said that he did not need God. He was on crutches as a result of an automobile accident this summer in Tennessee. His wife was killed instantly and he barely escaped with his life. For seven weeks while in a hospital bed, he had time to think and he began to realize that he did need God. This evening in the mission he came down the aisle to the altar and asked for prayer. He said he believed it was our prayers that saved his life. Here is a changed man—but, he is to a large extent ignorant of spiritual things and needs our prayers.

We also wish to request your prayers in behalf of the new church. The Lord has been helping in the supplying of help and materials. Please help us pray that He will supply the \$7,705.14 still needed to clear the deficit on the church before the dedication on November 19.

**Where Were You Last Sunday?**

Grace L. Hoffheins

In a little white church, situated in the country, town or village, there is an empty pew, chair, seat or bench. *You* used to occupy that seat, my friend. But lately that seat has been empty.

Last Sunday as the faithful servant of God stood behind the sacred desk to bring a message from God's Holy Word, his eyes fell upon your empty chair with a saddened heart.

And as he began bringing the message the "*you*" did not hear, because you were not there, some of the light went out of his heart, and he became more burdened as he preached. For he must have felt that he was more of a failure now than in former years. If he were not, would you not have been there in your place?

As the Servant of God closed the service with a saddened heart, because *you failed to fill your place*, the wedge of discouragement, Satan's best tool, was driven deeper into a faithful servant of God's heart.

Someday, friend, you will go to the little white church in the country, town or village because you desire to hear the Servant of God again, but instead of an open church door, you will find that your church is empty, not just your chair, the door will be looked, not just your heart! Then you will realize that your *empty chair* has helped to make an *empty church*! Think it over, friend. Will you not fill your place next Sunday?

Farris Mines, Allisonia, Virginia

With the passing of another quarter we realized that God has been with us. Not all has been smooth sailing, but thanks be unto God which giveth us the victory.

Revivals: On July 4 a revival meeting was opened in the community of Sylvatus, with Elder Edgar Giles serving as evangelist. A temporary shelter which seated about a hundred people was built out of building materials for the parsonage. The sides were enclosed with the old tent canvas.

It was very homely in appearance but the presence of the Lord helped greatly in making it a place conducive to worship.

God's spirit strove with the unsaved. There were a number of hands raised for prayer. A middle-aged lady did receive spiritual help at the altar of prayer.

Rev. Otie Utt from the Galax Church of the Brethren with his singers contributed greatly as they shared in several nights of the meetings.

Brother Giles won his way into the hearts of the people as he preached in his original Southern style under the unction of the Holy Ghost. One service especially, Heaven seemed to bend low as shouts of glory rose from the congregation. This meeting was conducted for two weeks after which the shelter was dismantled.

September 24 marked the opening of our fall revival campaign at Farris Mines with Evangelist John L. Rosenberry. God has moved among the hearts and homes of our people in a very outstanding manner. The impact has been felt through our whole mission area.

Groups met together in the church and up in the hills to pray for a revival. Private altars were erected. Prayer lists grew to great proportions.

The results of this were great manifestations of the power of God in the meetings. Brother Rosenberry preached in the spirit with much freedom. Hearts were wrought upon by the Holy Spirit. Confessions were made and back tracks were straightened up.

Record crowds of over 200 people attended throughout the greater part of the meetings. Approximately 60 seekers knelt at an altar of prayer. Out of this number there were definite testimonies of healing. Others were saved, backsliders were reclaimed and believers were sanctified. Shouts of victory rose from the place while others shed tears of joy and many were made glad in the Lord. There were many more who spurned conviction through the revival but we trust their attention has been arrested to the extent that they may yet be saved before Jesus comes.

Reception of Members. On the last Sunday morning of the revival with our overseer Bishop Henry A. Ginder in charge, an impressive reception service was conducted. Brother Rosenberry addressed a class of four applicants before a church full of people, on members' obligations and blessings of the church. After these applicants were received, greetings were extended to them by the greater part of the congregation. The next evening before communion service a young man of 17 was received into the church.

Baptism. Immediately after the reception service over 200 people gathered along Big Reed Island Creek to witness the baptism of nine applicants. Brother Rosenberry gave a short message at the stream, after which the applicants gave glowing testimonies of saving grace and their purpose. One lady who had been a church member for years but did not have a real experience of salvation and had been saved just the week before said, "To be baptized today to me is just as important as going to the altar was last Sunday." Another brother expressed an abundant welcome from heaven as he took this step. Others praised the Lord with tears of joy.

Communion. Our fall communion was one of outstanding interest and was held on Monday night after the close of the

revival. Forty communicants took active part. A number of these were those who had been saved through the revival. Also a large number of these were young folks.

Bus Operations. A vital factor of the work has been the operation of our church bus. Only those who have been here and seen can fully appreciate what has been done through our areas by the bus operating. It has been the means of reaching out between the community of Sylvatus and Farris Mines, which is a ten mile area. Only with God's protection do we venture over the hills, around the dangerous curves, and through the creek fords, with a dilapidated bus jammed full of people. We have been trying to keep it in safe running condition, but this is hard to do with a bus that is too light and as old as it is. We have been able to pull our bus fund out of the red during the revival meeting.

This vital part of the work must go on. We believe that God is laying this need upon someone's heart somewhere.

Foreign Mission. On September 10 in the morning service Bishop Henry N. Hostetter gave a stirring message on how the Word of God prevailed in foreign missions. The same night he addressed a church full of people with illustrations of missions.

Deficit. We find it difficult to report the growing deficit of this quarter. After tallying up the financial report as it appears we were brought face to face with a situation which vitally affects the future of the work. As a mission staff we knelt in the pastor's study to pray for direction in this matter. We are ready for anything that would be God's will.

The food contributions from the outside and also from our local people have been a help to our table expenses. We are glad for mission visitors who have a better understanding of the work after having been here.

Finally, brethren, pray for us that the Word of God may have free course among us.

General Report

Farris Mines — A combined group of children and young people from the Farris Mines and Boon communities attended the school. A good interest was manifested by all the students.

An offering project between the boys and girls was launched this year. A thermometer was made for each group and as they brought their offering each day it was counted and a keen competition was held between the boys and girls as the thermometer started to go up. The first two thermometers rose to the top and new ones had to be made.

Mottoes of plywood and plaster of paris were made by the older classes.

A program was given the closing night with all of the school participating. A number of parents and friends attended the program and especially enjoyed the part rendered by the Beginners Class.

Sylvatus—The enrollment of this school was not large due to the polio epidemic. A good interest was shown by those attending, by their participation in the various activities of the school.

Perfect attendance certificates and awards were given to twenty children.

As the summer revival was in progress at that time, no closing program was given.

Rich Hill — (Colored) A good interest was shown in this school by not only the children but by the mothers also. A special class was conducted by the superintendent for the mothers. About fifteen attended quite regularly. The school was divided into Red and Blue sides using thermometers for the offering project. Keen competition in this project was carried on throughout the entire school.

Our hearts were touched with the eagerness with which the children grasped the gospel stories. We trust that seed was sown which will take root and grow in these young hearts and bear fruit for the Master.

Doers of The Word

A South Sea islander's closing prayer of a meeting was as follows:

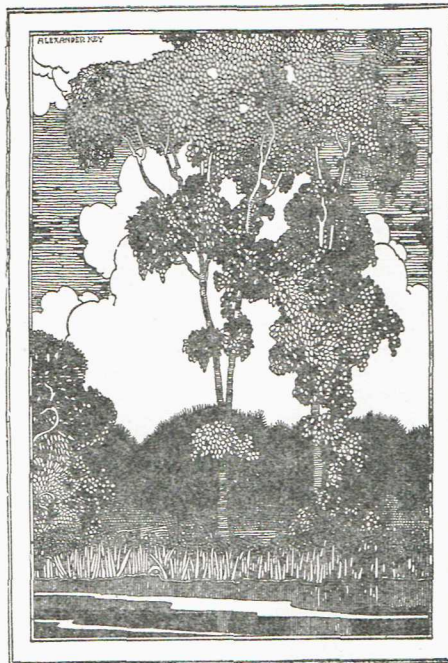

"O God, we are about to go to our respective homes. Let not the words we have heard be like the fine clothes we wear, soon to be taken off and folded up in a box till another sabbath comes around. Rather let Thy truth be like the tatoo on our bodies, ineffaceable till death."

That man had caught the right idea of the relation between hearing or knowing and doing. Hearing unto profit is a lesson that many have yet to learn. Many straightway forget what they read or hear because they go out from the religious service to plunge into business or into some social function, or because the mind is already so preoccupied with other things that there is little room, if any, for spiritual thought or time for practicing what has been preached. Unless we do what we hear, our hearing is vain.

To know, without doing, not only brings condemnation, but mental and spiritual demoralization as well. Habitual unfaithfulness, in matters small or great, soon blunts the finer moral and spiritual sense, and in time, unfits one for holy joy and for efficient service.

The word cannot abide in us except we apply its teachings unto personal experience and in practical service. Knowledge of privilege and duty is a vain thing, except we avail ourselves of the one and cheerfully perform the other.

Christianity is nothing if it does not serve. A good conscience depends upon fidelity to God and duty. To him that knoweth to do good and doeth it not, to him it is sin.—*Evangelical Messenger*.

North Star Mission, Meath Park, Sask.

When we closed our last report to the brotherhood, we were looking forward to the summer's evangelistic campaigns at Candle Lake and in the church. These meetings are now a part of history.

It was our intention to have the tent at Candle Lake for ten days, but we were prevented from carrying out our intention due to rain. We decided to begin on a Sunday night; it rained hard that morning and though we drove up in the afternoon, the roads were all but impassable and people were not looking for us. We had a meeting then Tuesday evening in the schoolhouse, and with the help of some local men, the tent was pitched the next morning. However, the weather conditions only allowed us four nights. Two of these nights were well attended. The children had never seen or heard an organ, and it therefore was a big attraction to them. Everyone at the lake enjoys singing. We consider that the effort, while disappointing, was worthwhile, and by the unsolicited contribution received the last night we had the tent, it was evident the people appreciated our interest in them. We are continuing to go to this place every second Sunday afternoon and we are enjoying a fairly good response lately. While the tent was pitched, a strong wind accompanied by heavy rain kept me awake one night most of the time trying to save the tent. With the help of the local forest ranger, by whose cabin the tent was pitched, the battle was finally won. While the tent was up, wife and I slept in a small tent.

Rain also hindered the meeting at the church. It seemed as if the devil used the elements in an effort to defeat the working of the Holy Spirit. We saw and realized the faithfulness of God in striving with men, but we also realized how great a hold Satan has on folk. Mighty conviction took hold of some of our young people. Older folk too knew that God was speaking, and thus some stayed away. We fear it was because they were afraid to be brought under conviction. It grieves us to report that little visible fruit of these meetings was seen, although we feel the services were a big help to the church and to us as workers.

It was a treat indeed to have Elder and Sister Joe Vanderveer with us for these two weeks. They were a great encouragement to us. It might be that, since they have passed through many experiences similar to ours as missionaries, we were drawn together so easily, and they seemed like a big brother and sister to us. Brother Vanderveer had some experiences with our roads that he will not soon forget, and he left behind him at the mission a few things to be remembered by. He built a beautiful altar railing and refinished the pulpit in the church; this is a most attractive improvement, but he left behind him too the impression of a man who knows God. Sister Martha Sentz, a former worker at this mission station, was here during the time of the revival, and we pray that God will bless these devoted servants as they continue to work in the vineyard.

Our group at Paddockwood has been quite active and an encouragement to us. Sister Merriman, after some trials, and with the help of a couple other folk, notably Mr. Anderson, has the Sunday School in operation since September 1, with an average attendance of sixteen. Most of the ones who attend are young children. At the

time this school was begun, there was no other Sunday School in the village, but a week ago the minister who lives in Paddockwood launched a Sunday School again, and at the same time as our own is held. Of course this does not disturb us.

The Paddockwood group have been accustomed to having a Tuesday service every two weeks and a Sunday night service every two weeks for the past three years. In September they wanted to know if it would be possible to have the mid-week meeting changed to Thursday, as it was originally, and to have it every week. This request was granted and thus our schedule of services has been increased. During the past quarter the devil has tried to break up the flock at this point, but we praise God that the one responsible has returned to us again and the devil has been defeated.

It was my privilege to administer baptism to two elderly men in August. One was dissatisfied with his previous method of baptism and felt God wanted him to be immersed. The other was a man who had returned to God two years ago, and had never been baptized before. Neither of these men were taken into church fellowship at this time, although the first one referred to may come before too long a time elapses. The Lord blessed these men as they took this step with Him. Baptism was given at Emma Lake in the presence of a few witnesses.

We are glad Sister Logan is back home again after an absence of several weeks. It seems natural and more normal to have her close by us.

Sister Brechbill and I, with three young ladies, left the field for a little over two weeks the last of August. Our mission was to represent the Saskatchewan mission field at Ontario Joint Council, and to take Winnie Johnson, of our local congregation, and Ferne Climenhaga from Kindersley, to Ontario where they are enrolled in school.

We are glad to see our young people attending our church school. Winnie is the second one from our district now attending Ontario Bible School. We had the privilege too of visiting and speaking in a number of the Ontario churches during the week between Council and the opening of school. Everyone treated us so nicely on our journey and we were made to renew our consecration to the Lord's work. A few of the sisters at Wainfleet canned thirty-six quarts of peaches at their own expense for us, and we thank them for this much appreciated gift. On this trip Beverly Davidson had an enjoyable time, and is looking forward to going back in a year to school. Permit us to mention the kindness of Brother Vanderveers and Paul Hills, who provided a nice stopping-off place for a few hours both going and coming. Since our route lay through Michigan, we spent one day on the return journey visiting friends at Sandusky and Leonard, where we lived twelve years ago.

Before bringing this report to an end, we want to make special mention of Sister Calhoun. She has been a cheerful and faithful worker, and her willingness to care for the children has made it possible for Sister Brechbill to assist me more in the various meetings. Please remember Sister Calhoun in your prayers, and she will enjoy receiving a letter from you too.

We are thankful to God for the help that has come to us financially this quarter. While we are by no means caught up, we give thanks that when all our reserves were

exhausted, help came and thus we are able to carry on. With increasing costs of operations daily confronting us, we pray that God will give us wisdom and understanding so that we can stretch things as far as possible, yet be the most efficient in our effort for the Lord. We are thankful too for a substantial increase in the amount contributed locally to the mission. We hope this trend will continue.

The following donations are gratefully acknowledged: pork, Frank Johnson; butter and meat, T. L. Davidsons; milk, Davidsons, during the revival; cream and milk, E. C. Jones; eggs, Brother Halcro, Mrs. Hislop, Mrs. Ashdowne; and while here in July, my father reroofed the garage on the one side, and also gave the mission a few groceries. To one and all we say, "thank you."

Kentucky General Report

Another interesting and blessed quarter in Kentucky is in the past, but how may I report it that you will have a fair picture of our activities?

Almost continuous rainfall caused floods during July, and much mold and swollen woodwork throughout the homes during August, but did not hinder God's spirit in working. At a regular mid-week prayer meeting at Beulah Chapel, a young lady sought and found the Lord. A young man

and also a young lady wept and prayed through to victory during a Sunday night service at Spout Springs. Another altar service at the same place brought renewed victory to one of God's children on a Sunday morning; a very tender spirit which touched all present characterized that service. One Monday morning, following a very precious Sunday service at Millerfields, a father called at the pastor's home to announce that he had found God for the pardon of his sins. Still another seeker came to the altar at Evangel Chapel one Sunday evening and sought for deliverance from a sinful habit.

One of our girls, Rose Redford, who united with the church in June, is enjoying the privilege of attending Jabok Bible School this year. Credit goes to friends of Chestnut Grove, Ohio, who made this possible.

We will welcome the return of a number of our people who have been going to Louisville, Cincinnati, Kokomo, and Indianapolis, to take advantage of employment opportunities.

Evangelistic and revival meetings have been in progress in a number of communities since August. The first was a prayer revival of two weeks duration at Fairview. Brother Dohner led the services the first week, then Brother Giles shared by leading the next three nights. For the three concluding nights the Conquerors quartet from Upland, California, were present to provide music and preaching. Brother Henry Landis brought spirit-directed messages those nights. Having those young men in our home, accompanying them to the radio broadcast in Campbellsville, arranging for the cutting of records by the representative of the Acme company, and listening to their splendid singing in the services, all reminded us of pleasant associations while traveling with them on a previous tour.

Seventeen from Kentucky attended Ohio camp meeting in August. This was the first Brethren in Christ camp meeting in the experiences of a number of that group, who are still enthusiastically testifying to the benefits received. Two of our members who sought for heart purity and the baptism of the Holy Ghost have been undergoing severe testings since that time, but have been triumphant.

Brother and Sister Eli Hostetler, Jr., of Massillon, Ohio, gave faithful service during the twelve-day tent meeting at Dunbar Hill, August 30 to September 10. Their messages in music and the spoken Word were given under the anointing of the Holy Spirit. The attendance was good in spite of rainy weather, and the people appreciated very much the type of messages given.

The tent was then moved to Brother Allison's beautiful orchard slope at Pleasant Grove. Elder Donald Heer of Nappanee, Indiana, arrived September 13 to minister during that twelve-day meeting and to give a week's revival in Fairview church. Adair County listeners have enjoyed Brother Heer's messages through ten revival meetings during the past six years. His faithfulness in uncompromising warning against sin brought heavy conviction.

All of the meetings thus far have been characterized by strong movings of the Spirit, but only a few have sought and found pardon for committed transgressions. Will you help us pray that the many who are under condemnation and who request

our prayer help will come to the point of yielding to the God of love and forgiveness?

Brother Edgar Giles baptized two recent converts in Green River, September 10. Sister Mattie Kerns of Fairview and Brother Elvin Giles of Spout Springs.

Since September 24 Brother Owen Alderfer and wife have been giving valuable help in our Sunday services; but even with their help, careful planning and juggling of preachers is necessary to keep all appointments filled on schedule.

Two "first experiences" for Brother Eli Christner occurred this quarter: officiating at a wedding and conducting a funeral.

We have enjoyed a number of visitors at the Ella home, including the Conquerors; each of the evangelists for part of his stay in beautiful Adair County; Mr. and Mrs. Clair Felty, their niece, and Mrs. Felty's mother, all of Pennsylvania; Brother and Sister Ernest Dohner and three daughters of Mansfield, Ohio; Mr. and Mrs. Jack Palmer and Marilyn, their mother, Anna Sparrow, and Aunt Emma Herr, all of Kansas; Clyde Hershey and son Dale from Troy, Ohio, who delivered six head of young cattle supplied by the Southern Ohio churches for erstwhile idle mission acres; Brother and Sister John Ruegg and Brother and Sister Christian Sider of Ontario, Canada; and Bishop and Mrs. M. L. Dohner and Dortha of Mansfield, Ohio, who gave valuable assistance with a number of mission duties, for their surprise visit came at the time the field superintendent was "on the shelf" with an extremely severe case of mumps.

Guests in the Garlin home were the two evangelists who served in their area; Brother and Sister Isaac Schmucker and baby Ninita from California (they spent two weeks with the Arnolds before going to the Navajo mission); Lloyd Melhorn and Lehman Schlag from Pennsylvania; Brother and Sister Mervin Heisey and baby Beth, and Sr. Lois Hess from Mount Joy, Pennsylvania.

Brother and Sister Hostetler, Jr., contentedly shared residence in the uncompleted Knifley home with the two workers there during the Dunbar tent meeting.

Much appreciated gifts for the quarter included new three-quarter size Frigidaire ranges in both the Ella and Garlin mission homes. Friends from Fairview and Chestnut Grove churches, Ohio, Asbury Seminary, and young people's groups of the Dauphin-Lebanon District, Pennsylvania, made this much needed appliance possible for the Ella home; while Mr. and Mrs. Ben Hess of Enlewood, Ohio, were donors of the Garlin stove.

The nursing schedule continues to keep the nurses busy at both Knifley and Garlin. A condensed report of the work reveals these statistics:
